School Subject Performance Improvement Plan (SSPIP)

Grade: _____

Subject: _____

Educator: _____

GAP Identification	Strategies	Activities	Time Frame

Educator

SSPIP

Area	Comments / ✓ / X
Is Gaps identified correctly according to CAPS topics / areas?	
Is the strategies you are using assisting the learners?	
Do you as an Educator know the work well and are able to explain the work to the learners?	
Are all the lessons attached to this report? NB. No lesson plan is needed for the areas you have identified, BUT the work should be included with answers to any questions you have asked.	
Did you include the test/exam and memo you tested the learners performance with?	
Was there any challenges you identified? e.g. learners, CAPS, Material How did you solve the challenges as and educator?	
Is there any assistance you need from the HOD or Deputy Principal?
